- \* Locking, reversible front door and locking, removable side panels.
- \* Fully assembled for quick installation.
- \* Confirm to Standard ANSI/EIA RS-310-D, IEC297-2, DIN4191; PART1, DIN4194; PAT7, GB/T3047M 2-92
- \* Warranty : 25-year

## PRODUCT FEATURES

- \* Serveredge Wall Mount Swing Frame Rack Enclosure
- \* M6 screws
- \* M6 cage nuts
- \* M6 washers
- \* (2) Keys
- \* Shelves
- \* Castors
- \* Stabilizing feet

## Key Features

**Simple Equipment Installation:** Front and rear pairs of rails adjust in one-inch increments. Adjustment is quick and convenient – simply unscrew the rails, slide them to the desired depth and restore the screws. Square mounting holes and included hardware support up to 80Kgs of standard 19-inch rack equipment. Rack spaces are numbered for easy reference.

**Easy, Secure Equipment Access:** The wall bracket includes a sturdy hinge that allows the cabinet to swing away from the wall for convenient access to equipment and cabling. The wall bracket locks to provide secure access. The Front door locks provide secure access and the perforated side panels promote efficient airflow.

**Modular Side Panels:** The Serveredge Wall mount hinged enclosures includes two lockable, removable side panels for ease of installation and service access. The side panels are perforated to allow generous airflow.

Wall Mount Rack

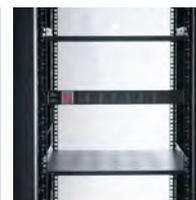

Swing Frame for easy access

Rack Key

RU Marking

Horizontal PDU

Optional Castors  
(comes in a 4 set)

CBN-9RU-66WM and CBN-12-RU-66WM can be installed as Free Standing Cabinets when used with a set of Serveredge Lockable Castor Wheels - CASW04 (To be Purchased Separately)

**Vented Top and Bottom Panels with Cable Cutouts:** The top and bottom panels of the Serveredge wall mounted hinged cabinets are furnished with vents designed to help remove warm air from the enclosure and draw in cool air by convection. They also support installation of standard user-supplied case fans. The top and bottom panels have cable routing ports for cable routing through the movable portion of the enclosure or the fixed wall bracket. Removable covers block unused cable ports.

**Peace of Mind:** The Serveredge wall mount rack enclosures comes with a 25-year manufacturer's product warranty.

### Typical Applications

IT network environments with limited floor space, Wiring receptacles, POS stations, offices & Classrooms where equipment needs to be secure and out of the way.
